Re: Upcoming Lectures and Events

Dear Members,

At the start of the new Term, we are happy to keep you informed about two events which the Cork Family Lawyers Association will host over the coming months :

17th October

On the 17th of October, 2024 we will host the two lectures by the following speakers :

- Dr Joanna Ralston BL will present a lecture entitled “*The Assisted Decision-Making (Capacity) Act 2015 Almost 18 Months On – A Practitioner’s Perspective on Circuit Court Capacity Applications*”
- Vincent McKechnie BL will present a lecture entitled “*Whatever you say, say nothing - self incrimination in Domestic Violence proceedings*”.

Both topics are directly relevant for our day to day practice.

The event will take place in the Imperial Hotel, Cork at 4pm on the afternoon of the 17th of October, 2024.

The event is free to members of the Cork Family Lawyers Association and a fee of €20 will be payable at the door for non-members.

2 General CPD Points will be available to attendees.

We hope to see you there.

Save the Date – 5th December

On the 5th of December the Cork Family Lawyers Association will host a half day Conference from 2pm to 6pm at the River Lee Hotel, Cork.

This event will be a highlight of the CFLA’s year and all members are encouraged to “Save the Date”. Further details will be circulated in due course.
